

Fall Conference Host Application  
**Due by March 22, 2007**

The Junior League of:

\_\_\_\_\_

Name of Submitter:

\_\_\_\_\_

Submission Date:

\_\_\_\_\_

Note that SPAC covers all costs associated with the conference. Your league will not be asked to fund anything. However, we will take the ability to obtain in-kind donations and free-of-charge meeting space into consideration when determining the site for the conference.

The Fall Conference usually attracts about 30 SPAC participants from all over the state. Which hotel(s) would you recommend that can handle meeting rooms, simple audio/visual requirements (microphone, screen for a projector), guest rooms, and meals for a Friday afternoon-Sunday morning conference \_\_\_\_\_

Are there any major events planned during the weekend you prefer (football games, concerts, festivals, fundraisers, etc.)?

How far is the nearest airport from the hotel(s) recommended above? Is shuttle service available?

What would you recommend for 'Evening Out' activities for Saturday night?

What legislative officials or policy makers might be available to speak at the conference?

Is your league headquarters large enough to accommodate a reception? Would your league allow you to host a reception at your headquarters?

Are there attractions in your area that may be enjoyable for spouse/family members traveling with SPAC participants?

Please include any additional information that should be considered:
